appeared for his first court date in Santa Clara County on January 9, 2024. At that time, he was appointed counsel and a future court date was set for February 26, 2024, at 1:30 p.m.

The parties are requesting that the matter be continued until March 12, 2024, so that Mr.

Rios can meet with and discuss his state matter with his state court appointed counsel. This will further enable the parties to monitor the state court proceedings to determine how best to resolve the instant federal violation petition. Additionally, undersigned counsel is in the process of reviewing the discovery from the state court matter. In light of the above, the parties are requesting that the status conference currently set for January 24, 2024, be continued to March 12, 2024, for a further status conference. This will enable the parties to assess the status of the case and to undertake additional discussions regarding this matter. The requested continuance is made with the intention of conserving time and resources for both the parties and the Court. The requested date is a mutually agreeable date for both parties.

Since his release on September 5, 2023, Mr. Rios has remained in compliance with the terms and conditions imposed and has maintained communication with counsel and his probation officer. As this is a supervised release violation matter, no exclusion of time is necessary.
